Horse Rescued

Star women fell off, broke her arm, afraid and asked us to please take the pony
Mac owner couldn't keep him, asked us to give him a home
Reno lady moving, couldnt afford to bring him with her, asked us to please take him
Daisy owner lost her job, single mother, horse has moon blindness, ask us to please take her
Littleman going to auction for meat, was asked if we could please take him to save him
Ticket riding college was going to put him down, he was brought here at age 21, now 40 years old
Tink extremely thin, tied to tree in a backyard with no shelter over the winter
Gracie near death, terrible coat and worms, tied to tree, please see website for condition
Wesly found tied to a tree with bad rope burns on back legs
Diamond severely underweight, feet in bad condition
Micah local person asked us to take him, very little training

Purchased for our riding program from a facility in NH that tries to find homes for horses

Tucker horrible feet/was unsound, took 7 months before he could be ridden, and was ear/head shy probably due to abuse
Dori no training, very green
Skyla severe back issues
Blue very little training, very green
Tony very little training, needed professional training
Bow very little training, needed 3 months professional training before used in the program
Pi very little training, hip/lameness problems, cataracts
Kasper very little training
Duncan very little training
Rascal very little training

Past Rescued Horses

Apache - rescued from slaughter, rehabilitated and provided with training, placed in a permanent home
Willow- rescued, rehabilitated and placed in a permanent home in NH
Rory- rescued, rehabilitated and placed in a permanent home in NH
Geronimo- rescued from slaughter, unfortunately after examination by a vet he had to be humanely euthanized due to a permanent knee problem that would prevent quality
Heavenly - needed rehabilitation, highly distressed after her previous home, found a local permanent home
Ruby - rescued, needed rehabilitation, came thin and with lameness problems, was placed in a permanent home in NY
Reba- a women asked us to take her because she could not afford to keep her, rehabilitated, placed in a new home
Misty - rescued from slaughter, extremely aggressive (biting and kicking) underweight with lameness problems, rehabed and used in the program for 1.5 years, unfortunately
Arrow- rehabilitated, strenghtened his back and found new home

Purchased for the program

	Scout
Cody	Checkers
Peppe	Poco
Copper	Charm
